This development is a residential building that has 4 heights where large windows and open spaces stand for the full enjoyment of the climate and the so admired life outside the coast. 38 houses make up the community, which has from bass with gardens for private use to penthouses that include solarium and individual pool. All owners can delight in a privileged sea view from their residences.

Beauty is also on the outside. The outdoor common areas are widely decorated by indigenous plants and flowers that give the community great beauty and naturality. These open spaces give the whole a feeling of serenity and calm, crowned all by a refreshing communal pool.
